New wide authentic vinyl floor planks have just arrived on the Australian market.

DecoLine® vinyl planks are so easy to install, anyone can do it. No clicking together, just lay and your floor is ready to enjoy. The DIY feature of this product allows you to save on expensive installation costs associated with other products.

DecoLine® vinyl planks are the easiest flooring on the market to keep clean. Small spills are easily cleaned and for more serious spills simply pick up the affected plank, clean and re-lay. It's that easy.

At DecoLine®, we understand the importance of your family's health and that's why our flooring contains an anti-bacterial amour. DecoLine® vinyl planks are the only flooring product in the world to offer this health benefit. Your family will love the luxurious feel of DecoLine® vinyl flooring; they will believe they are walking on authentic timber flooring.

DecoLine® vinyl flooring comes with a 20 year manufacturer's guarantee and is available in a variety of colours and designs.

CERAMIT

Built In Grout Tile

Built-in-grout technology

LVT-601

Vinyl That Can Do Everything!

600x600 porcelain-look vinyl tile

2mm built-in grout

5mm thickness

0.5mm commercial wear layer

Revolutionary technology from South Korea delivers these unique 2mm built-in grout (BIG) vinyl tiles to the Australian market.

BIG tiles replace the need for acoustic underlayment and grouting, making this 600x600 porcelain-look vinyl tile flooring extremely easy to lay thanks to the built-in grout on 2 sides of the tile.

Simply lay and your floor is ready to enjoy.

The DIY feature of this product allows you to install your own tiles and saves on expensive installation costs.

In addition, unlike other tiles these are not cold under foot and are luxurious addition to any environment.

BIG tiles come with a life-time manufacturers guarantee and are available in a variety of colours and designs.
